TOPIC

- The tax audit is a hot topic for professionals working in the accounting, legal and tax department of Serbian companies. Depending on the readiness of the persons involved, the tax audit may have a good or a very adverse result. LeitnerLeitner will guide you through the tax audits and will present its experience in tax audit, issues arising in the practice and suggestions how to resolve them. A special focus will be on how to prepare tax audit.

We accept participants' topic related questions by e-mail till 15 June 2012.

TEMA

- Poreska kontrola je zanimljiva tema za profesionalce zaposlene u računovodstvu, pravnim i poreskim službama srpskih kompanija. U zavisnosti od spremnosti uključenih lica, poreska kontrola može imati dobar ili veoma negativan rezultat. LeitnerLeitner će vas voditi kroz poresku kontrolu i predstaviti vam svoja iskustva iz te oblasti, probleme koji se pojavljuju u praksi i dati vam sugestije kako da ih rešavate. Poseban naglasak biće na pripremi za poresku kontrolu.

Vaša pitanja u vezi sa temom seminara možete nam poslati do 15. juna 2012. godine.
